The wrestling championship is under way!

As Harvey stepped out into the wrestling ring, he almost came back into the changing room because of the ear piercing noise. Also, Mavis seemed to want to put on earplugs too. But then, his name rang out. "Presenting... THE MUSCLE!" Harvey stepped out into the ring, wrestling costume adorned with a patch for each wrestling tournament he had won. There were many patches on his costume. After that, the announcer called The Mavis's name. She stepped out too into the wrestling ring. Mavis's costume didn't have quite as many patches, but she held her head high. This was going to be a tough set of matches.

After Harvey and Mavis were in position, the referee blew the whistle

for the round to start. And at that moment, Harvey knew that he didn't need to cheat. But there was no time to dwell on that thought. Mavis and Harvey circled each other. Then, Mavis feinted to the right. Harvey didn't even flinch. And, in the moment Mavis was off balance, Harvey lunged at her, falling short on purpose and getting Mavis in a blocking position so she didn't see the swinging throw that scooped her up and slammed her into the railing of the ring. Meanwhile, one of Mavis's kitten had ordered 10 hot dogs and was getting ready to eat them speedily. The world record was 10 hot dogs in 7.63 seconds, but Mavis's kitten was determined to beat that. And, it happened. The new world record was set to 7.09 seconds.

Mavis, dazed and confused looked at Harvey. His move was skillful and was not illegal. But, Mavis knew she could play dirty. So, she tried to slip around the back of Harvey. He let her do so. Then, she activated the whistle in her pocket to distract Harvey. However, he just did a backflip, pinned Mavis down, and put his chubby foreleg on her chest for 5 seconds, winning round 1. Mavis gawked, and didn't even notice when the referee gave Harvey 2 extra points for her illegal technique with the whistle. The score so far was 12 - 0. 10 points from winning the round, and 2 from Mavis's foul. Surprisingly, Mavis won the next round. However, she had to foul 3 times to do it. So, the score was 18 - 10. Round 3 was more interesting. Mavis fouled Harvey once, and then did something horrible. She put on a mask and put a small amount of tear gas into the air. While Harvey rubbed his eyes and the crowd booed, Mavis won round 3. However, that was a 5 point foul, and Harvey ended up with 25 total points. However, Mavis had 10 + 10 + 5 for winning more rounds. So, there was a tie breaker round for 1 point. And Harvey won easily. There was not any strain in his win. It was final. And Harvey was the true champion.
